My dear Mr. Dillon:-

Last Spring Mr. Cook made a bid on some work we were contemplating on our grounds at Hot Springs, copy of which I am enclosing. I should like you to go out to the grounds with Mr. Cook and have him go over the matter again and see if he can not submit a lower bid. Also have him give you an estimate on the cost of a wire fence around the outfield.

If you can find the time to do this I will greatly appreciate your efforts in our behalf, in this as in the past.

With kindest personal regards, I am

Cordially yours,

Samuel Dreyfuss

Mr. S. E. Dillon,
Gen. Mgr., Public Utilities,
Hot Springs, Ark.

My dear Mr. Dillon:-

I am in receipt of your letter under date of October 26th containing bids for improvements at our practice field in your city. Many thanks for your kind offices in this matter.

I have carefully gone over the bids submitted, and beg to further encroach upon your time and efforts to the extent of having Mr. Cook begin work at once, rushing the work to completion as far as the filling is concerned. Tell him not to put up the fence until along about the first of March, as this will allow the filling to settle, and there will not be the risk of having the fence damaged or stolen. Would also ask that the football players be kept off the field, if possible, as they do a great deal of damage to the playing field.

As soon as the work is completed, kindly O. K. the bills and send them on to me for payment, making sure first that the work is properly done and in accord with the specifications detailed in the bids.

Again thanking you for your kindness in this matter, I beg to remain,

Very cordially yours,

F. W. Greyfuss

Dear Mr. Dillin:

Just to remind you that myself and the
Giant pitchers and catchers will be at Hot Springs
on the morning of February 15th.

You promised Mr. Kinsella when he was
there you would have both ball parks ready for us.
Just thought I would drop you a line in time.

Quite a few newspaper men are going
with us and we will see that Hot Springs gets some
publicity while we are there.

Very truly yours,
